Amend the title so as to read:

Resolution permitting active duty members of the Armed Forces who are assigned to a Congressional liaison office of the Armed Forces at the House of Representatives to obtain membership in the exercise facility established for employees of the House of Representatives.

COMMITTEE OVERSIGHT FINDINGS

In compliance with clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee states that the findings and recommendations of the Committee, based on oversight activities under clause 2(b)(1) of rule X of the Rules of the House of Representatives, are as follows: The Committee believes that use of an exercise facility is likely to have a favorable impact on the fitness for duty of those who use it. The Committee finds further that this incremental increase in utilization can be appropriately managed to minimize the impact on current users.

STATEMENT OF BUDGET AUTHORITY AND RELATED ITEMS

The resolution does not provide new budget authority, new spending authority, new credit authority, or an increase or decrease in revenues or tax expenditures and a statement under clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a)(1) of the Congressional Budget Act of 1974 is not required.

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

In compliance with clause 3(c)(3) of rule XIII of the Rules of the House, the Committee states, with respect to the resolution, that the Director of the Congressional Budget Office did not submit a cost estimate and comparison under section 402 of the Congressional Budget Act of 1974.

GENERAL DISCUSSION

The House Staff Exercise Facility is a self-sustaining operation supporting continued and improved employee health and welfare, with the attendant benefit to the House derived from employment retention and fewer and shorter employee absences due to sickness. Under current law, eligibility to join the Facility is limited to House employees.

The Committee received Member requests that on-site, active duty Armed Forces personnel be authorized to utilize the House Staff Exercise Facility in order to retain and enhance their fitness for duty. Because of the impracticality of using alternate military

exercise facilities while stationed on the Hill, the Committee reported this resolution to slightly expand the eligible class to include on-site active duty Armed Forces personnel.

Since the Facility is fully utilized by House employees during periods prior to and following the end of each workday, it is contemplated that the Armed Forces personnel will utilize the Facility consistent with military policy during off-peak periods to retain and enhance their fitness for duty when reassigned.
